Please note:

- All reusable enrichment will be cleaned and disinfected between dogs.
- Enrichment selected will be used in addition to any you bring from home.
- Nothing will be provided without owner permission and will be removed before bedtime each day.
- Dogs will be allowed enrichment items in their kennel during the day whilst unsupervised. If they ingest something you have given them permission to have access to, we cannot be held responsible.
- Dogs from multi-dog households will never be left with food enrichment.
- Food enrichment will be used in moderation and in-line with the bespoke exercise and enrichment plan produced
- Enrichment unless requested will be randomised during their stay.
- We will use this form as a baseline for any future stays.
